DART First State
and the Delaware TANF Program

To All Employees...

Do you have a hard time getting to/from work? Would you like to work, but don't have transportation? Do you usually ride the bus, but can't use public transit to get home from your job because the bus stops running before your shift ends? If you answered "yes" to any of these questions, we have solutions for you.

To All Employers...

Do you have hiring and retention issues due to employee transportation barriers? Do your current employees use the bus to get to work, but have a hard time getting to/from the job when the bus is not in service? If you answered "yes" to any of these questions, we have solutions for you.

The Service...

DART First State, in partnership with local employers, subsidizes subscription transportation service that runs weekdays and weekends after regular bus service ends. The Night Owl Shuttle provides service to/from participating employer worksites.

Home Free Guarantee...

As an added benefit to being a bus and Night Owl Shuttle rider, employees are automatically registered with DART's RideShare Delaware and will receive the Home Free Guarantee benefit. The Home Free Guarantee benefit may be used during an emergency, up to 4 times per year, and will ensure that you get to your home end destination - for free - if a sudden change in your schedule prevents you from taking your normal ride home from work.

How to Register...

Registering for the shuttle is easy! Complete the postage-paid registration card in this brochure and drop it in the mail. A representative will contact you with further information about the Night Owl Shuttle.

Registration

- I am an **Employee** and would like to register and be considered for the Night Owl Shuttle Service to help me with transportation to/from work
- I am an **Employer** and would like to receive information on the Night Owl Shuttle Service to help my employees with transportation to/from work.
